

Join the 2016 Python Challenge™!

Get involved in Everglades conservation

Register for the python removal competition.

Compete as an individual or team to remove Burmese pythons from the Everglades. You will be eligible for prizes! Registration and rules for the Jan. 16-Feb. 14 competition are at PythonChallenge.org.

Learn more through training.

Attend a live, hands-on training that includes safe capture of pythons! Take the online training module. Watch educational videos. All are free and available to anyone.

Invasive Species Awareness Festival

Saturday, January 16, 10 a.m. to 4 p.m., Florida International University, Modesto Maidique Campus in Miami

Learn about the challenge of protecting Florida's Everglades ecosystem and its native wildlife from invasive species. The festival will feature python handling demonstrations, exhibitors, vendors, nature walks and kids' activities!

2016 Python Challenge Awards Ceremony

Saturday, February 27, 10 a.m. to 1 p.m., Long Key Nature Center in Davie

Join us as we celebrate the winners of the **Python Removal Competition!**

Compete in social media contests.

If catching pythons isn't for you, check out our social media contests! These are open to everyone, anywhere. You don't have to be in Florida to participate.
